

YOUR COMMITMENT

This is a crucial season in the life of Adventure Church. We need everyone who is a part of Adventure Church and all of the friends of Adventure Church to partner with us by making a commitment. A vision of this size cannot be reached alone. But with God and the help of those willing to partner with us, we can move our church forward to what's NEXT.

**We are asking you to make a commitment to
P.L.O.W with us to achieve what God has NEXT**

PRAY

Help us pray for God's direction, wisdom, provision and favor in this season. Commit to pray consistently for AC and our future. Your prayers make a difference. Remember, prayer does not prepare us for the greater work; prayer is the greater work. As you seek God ask Him to place an amount on your heart to give.

LISTEN

As you pray, make sure to take time to listen to what God is speaking to you. Ask yourself what amount has God placed on your heart and believe God will provide for you to give. Give yourself a few days to process what God is speaking to you and then ask; Is my gift a sacrifice? Am I demonstrating faith in God's promises and provisions? Am I joyous about giving this amount? If you can answer YES to these questions, then it's time to trust God through your obedience.

If you are married, pray about your commitment in the context of your personal relationship with God. Then, process your commitment amount with your spouse and make your commitment together.

OBEY

Once you've heard from God it's time to act in faith. Take your NEXT step in your pursuit of Jesus and His Kingdom through radical generosity.

Please prayerfully consider giving financially out of:

- What you **HAVE** (your savings, excess, stocks, etc.)
- What you **SACRIFICE** (prioritize spending, postpone purchases, personal assets, etc.)
- What God **PROVIDES** (unexpected cash, bonuses, business deals, increased income, tax refunds, etc.)

WATCH

As we step out to faithfully obey God, we know that He will respond. God always responds to our faith with His faithfulness. Once we've done our part we know God will do His. This is where we get to **WATCH** and **SEE** God do the miraculous.
